

## **Research Study on Obsessive Compulsive Disorder**

### **Do You Experience Some of:**

- A need to wash things too much
- A need to do things over and over again
- A need to do a series of unnecessary actions before certain activities
- Thoughts from outside of you that tell you to do something unnecessary
  - Images in your mind that seem to come from outside of you
  - **Have these things gotten worse recently?**

If so, you may be eligible to participate in a PET brain imaging study at the **Centre for Addiction and Mental Health**.

### **Eligibility:**

Age 18 to 65  
Diagnosis of Obsessive Compulsive Disorder (OCD)  
Not currently taking any street drugs  
Women: not currently pregnant  
Otherwise healthy

**Clinical assessment and COMPENSATION provided**  
**Please call: (416) 535 - 8501 Ext. 4386**
